# Marriage

## Enrichment

### seminar

**CHALLENGE OF OUR GENERATION**

This unique one-day seminar presents **Challenges Facing Couples** and offers insight and practical solutions from a **Christian Perspective**. You will identify strength and growth areas, explore personality traits, stress, improve communication skills to resolve marital conflicts. Relevant for couples and parents. This seminar will also empower participants to cultivate a right perspective towards **God's design for marriage** and also how to build a happy and successful Christian marriage. Optional marriage assessment using the PREPARE/ENRICH model is available for registered participants (\$30/couple).
